

May 5, 1975

PRESIDENT: Motion carries. The question is, shall the Call be raised. Record your vote. Record.

CLERK: 29 ayes to raise the Call.

PRESIDENT: Call is raised. Senator Bereuter, do you have an announcement?

SENATOR BEREUTER: Mr. President, members of the Legislature, the caucus that Senator Richard Lewis and I were trying to convene, at 1:15 in Room 1019 for about 28 of you, will be moved to 1 p.m. Please try and make that in deference to plans . . . of Senator Mahoney.

SENATOR MAHONEY: Mr. President.

PRESIDENT: There will be a motion to recess until 1:15 but the Clerk has some matters to read into the record.

SENATOR MAHONEY: But I just wanted to say on the 1:15, we have to meet at 1:15 because there's no way possible that the Judiciary Committee be back before 2 anyway so we have to have 25 and move ahead with the rest of this bill. We have to be here at exactly 1:15.

PRESIDENT: Alright. The Clerk has some things to read.

CLERK: Mr. President, Senator Schmit asked to remind everyone of the hearing on LB 601 before the Judiciary Committee. It's an Ag and Environment Committee, at 1 o'clock.

Mr. President, an executive session of the Appropriations Committee will meet on Tuesday, May 6th, at 12 o'clock noon.

Mr. President, we have received engrossed LB 209, . . . correction LB 269, 269A, 317 and 317A. These bills were signed by me on May 2, 1975 and delivered to the Secretary of State.

Mr. President, a new bill. LB 215A, introduced by Senator Rumery. Read title.

Mr. President, Legislative Resolution No. 40 will be inserted in the Journal.

Mr. President, I move we recess to 2 o'clock . . . correction 1:15. Signed, Senator Mahoney.

PRESIDENT: All those in favor say aye, contrary nay. We are in recess until 1:15.

RECESS
